Art Unit: 2615

1. It should be noted that the present application has been transferred to a new examiner. After carefully reviewing the Appeal Brief, the final rejection has been withdrawn. The examiner regrets any inconvenience to the Applicants.

2. Claims 15-18 are allowed.

Although Ichikawa discloses that control unit 13 can identifies the type of electronic camera by using a preamble of image information read out from the memory card, Ichikawa does not teach any step or circuit that identifies the camera type used to produce the images from the image data provide by the camera.

The prior art of record fails to suggest or disclose:

With regard to claim 15, a method for correcting digital images produced by a digital camera, comprising the steps of identifying the camera type used to produce the digital images from image data provided by the camera; correlating said camera type with correction values specific to the camera type to correct flaws common to images captured with said camera type in combination with other claimed steps.

With regard to claim 17, A device for determining correction values for digital images produced by a camera, comprising identification means responsive to digital image data produced by the camera for detecting the camera type that

Art Unit: 2615

captured the digital image; and control means for determining camera type specific image correction values as a function of the identified camera type; and means responsive to said control means for correcting the digital images produced by the camera in combination with other claimed elements.

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to TUAN HO whose telephone number is (571) 272-7365. The examiner can normally be reached on Mon-Fri from 7AM to 4PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's acting supervisor, JIM GROODY can be reached on (571) 272-7950. The fax phone number for the organization where this application or proceeding is assigned is (703) 872-9306.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the Customer Service whose telephone number is (571) 272-2600.
